You spoke no words your eyes said all
There are no words to set me free

One look one smile that's when I began to fall
I saw your face and you cast a spell on me

Bbm7 Ebm7 DMaj7(#11) C#m7

No way I could es-cape not a sound to be heard how did you
With-out a sing - le word 'neath the stars how they shone you took me

Fmaj7(#11) Em7 A11 DMaj7#5

come in - to my life with - out saying a word
half - way to hea - ven and then you were gone
