med. slow

Bbm7 Bbm7/Ab Gb13 F7(#9) Bbm7 Gb7 F7

Ev'-ry time I do something new you tell me it's just old-hat
 If I am the one who de-cides you tell me how wrong it feels
 Ev'-rything to you is old-hat it all has been done - be-fore

Bbm7 Bbm7/Ab Gb13 F7(#9) BM7(#11) Bb7(b9)

When I think I'm look-ing my best it's not "where it's at"
 try to bring a smile to your face but noth-ing ap-peals
 Now I know you twist-ed the truth a fool to be sure

Ebm9 Db11 Cm7(b5) F7(#9) Bbm7 E7(b5) Ebm7 Db/F

You are ne-ver real-ly con-tent, in your op-in-ion I'm out of date
 Seems the time has come for a change, I'm tired of being a good di-plo-mat
 And you had me learn-ing to be e-mo-tion-ally a true ac-ro-bat

Gm7 F/A Bbm7 BM7(#11) Cm7(add4) F7(#9)

When I call ex-act-ly on time you al-ways com-plain I'm late and
 Gon-na find me some-bo-dy new as sim-ple a thing as that *D.C. al Coda*

Gm7 F/A Bbm7 BM7(#11) EM7(#11)

Glad to get you out of my life now you are old-hat
